

Fold Here

Drafty

A folding lightbox tracing table
by Kayla Guillory

Materials

Stainless steel, steel, walnut, wood laminate,
acrylic, LED lights

Processes

Tube forming, TIG welding, woodworking,
powder coating

Design Goals

To create a better way to make meaningful
art without compromising comfort

Challenges

Finding and deciding on the right materials
while adjusting my plan and time frame
accordingly

ME 203 Winter 2018
